WARNING

Children have died from furniture toppling over.

- **ALWAYS** secure this furniture with an anchor device.
- **NEVER** allow children to stand, climb or hang on drawers, doors, or shelves.
- **NEVER** open more than one drawer at a time.
- Place heavy items down low.
- **NEVER** place a television on this furniture.

CAUTION:

For your safety when attaching the anchor fixings, please note the following:

- Check for any electrical wires or plumbing inside the wall before drilling any holes (if you are unsure please seek professional advice from a qualified tradesperson)
- Walls are constructed from different materials, for example, masonry (solid brick) or plasterboard lined cavity walls (hollow). It is important that you use the appropriate wall fixings for your wall type.
- Your local hardware store will have the necessary drills and fixings and can offer advice if needed. If in doubt, engage the services of a qualified tradesperson to install and anchor the product.
